### Class Activity: Books with Multimedia Elements!

If a story has **multimedia elements**, that means it can be enjoyed in multiple formats. (These can include animation, television, and video games, and more!)

Multimedia elements related to *THUNDERCLUCK!* include:

- An animated short film
- An animated book trailer
- A series of children's novels
- An author presentation video

(For reference, the above content is available online at [thundercluck.com](http://thundercluck.com).)

### With this in mind, consider the following questions:

How can multimedia elements contribute to your enjoyment of a book?

---

---

Imagining Thundercluck in animation, what kind of **visuals** would you expect to **see**?

---

---

Imagining Thundercluck in animation, what kind of **sounds** would you expect to **hear**?

---

---

Is there **another book series** that you would like to see with multimedia elements?
